

## OSCURO

Mr. Burns, the new merchant, has been appointed postmaster.

Mrs. McLaughlin from St. Louis is here visiting her son, Mr. Burns (store Burns).

Messrs. Houser and Gilbert are down 154 feet in their well and no water yet.

Mr. Knox, Attorney for the Oscura Development Association of Chicago, was here a short time last week.

When the new lights were installed in the school house one of the merchants donated the first five gallons of gasoline to start with. "The Lord loveth a cheerful giver."

Dr. Ranniger has been appointed United States Commissioner for this district. Now all land office business can be done here without having to go away.

Frank English and Benchy Goff are here working on Dr. Blaney's new house which is nearing completion. It is going to be a fine little house with most of the modern conveniences of civilization up to date.

## NOGAL

Mrs. Sadie Zumwalt was quite sick last week but is better now.

A little more rain would help the roasting ears at the Rosedale garden. They are certainly fine.

The wedding last week of Miss Pearl May to Mr. Snell was quite a surprise to their many friends.

Mr. and Mrs. Tom Moore left Monday for the California exposition to be gone the remainder of the summer.

The entire community is requested to be in attendance the second Sunday in August to arrange the time to begin the Nogal camp meeting.

Judging from the number of blasts in the mountains the mines are getting busy. Prospects are fine for a vast amount of activity in the Nogal mining district very soon.

## SUBSCRIBERS NOTICE

Since taking charge of the Outlook we have mailed out several hundred dollars worth of statements to those who were indebted \$1.50 or more, and those whose subscription had expired we mailed statements to them for the advance subscription now due. Some have remitted, but the majority have remained as silent as the seven spirits. We kindly ask every one indebted to us to send in their remittance at once. It seems a little unfair for us to pay interest to keep our business going when we have due us in amounts from \$1.50 up, enough to pay all we owe. In fact we cannot understand why a subscription to a newspaper should be the last obligation considered, when most of those indebted are able to pay promptly. A payment now will be appreciated.

## Make the Farm Pay

First of all, the farmer must be a business man.

Farming is manufacturing food and food products and the farm and farm equipment constitute the plant.

Competition is keen and it requires business methods to make money.

The parcel post has opened the way to wider markets. Rural telephones, trolleys and mail delivery have brought unlimited opportunity for doing business.

You need one thing more—
